3M | QECC Qualified Electrical Construction Contractor

3M™ Qualified Electrical Construction Contractor

Advanced Power Services Ltd

A 3M QECC member who is eligible to offer a 20-year product warranty for 3M™ Medium Voltage Cable Accessory products.

2022

What differentiates a 3M QECC participant?

Extended 20-year warranty

As a QECC member we can apply for an extended 20-year 3M product warranty on medium voltage cable accessories. This helps to provide peace of mind and confidence that your investments are in safe hands.

Training

QECC participants receive in-depth assessments along with theoretical training on 3M medium voltage product families. This enables them to provide extended product warranties, on qualifying products, for approved projects.

Medium voltage products eligible for warranty

Separables

How to receive the product warranty:

1. Request for an extended warranty on your project from your QECC member
2. QECC performs installation
3. QECC coordinates warranty application with 3M
4. 3M issues product warranty certificate
